

Amenity Care Ltd is committed to doing its part to contain the spread of COVID 19 and to protecting the health and safety of our workers and visitors to our warehouse. We have risk assessed our premises and developed this policy to reduce risk to the lowest reasonably practicable level, by taking preventative measures.

### **Staff wellbeing**

- All workers have their temperature checked on arrival at work and are asked to confirm that they are not experiencing any COVID 19 symptoms.
- Workers who feel unwell must stay at home and self-isolate in accordance with Government Guidance.
- On induction all workers will be required to complete the WHO online hand washing test

### **Working Environment**

- Workers must comply with the social distancing instructions and signage in operation in the warehouse.
- All workers must wear face coverings while working.
- Workers must wash their hands frequently in accordance with government guidance

### **Deliveries**

- Personal contact during deliveries must be kept to a minimum. Customers will not be required to sign for delivery, items will be scanned electronically.
